

# SSMO

## Week of Prayer

## PARTNERING THROUGH PRAYER

The **Silver State Missions Offering** is taken each year to enable churches throughout the state of Nevada to reach out into their local communities in tangible ways, meeting specific needs and opening doors to gospel conversations. Each year, thousands of dollars are distributed to financially support our churches with these projects.

Besides contributing financially to this fund, one way each of us can partner in these community projects is through prayer. This prayer guide will focus each day on a different aspect of this statewide project, allowing us to share in the work God is doing as our churches are mobilized to be the hands and feet of Christ. We invite you this week to join us in prayer for the effectiveness of the SSMO. We hope that through our prayers we would see God's power demonstrated throughout our state and that through this partnership more churches will be able to reach out with the gospel in their communities both in word and deed.

# SSMO WEEK OF PRAYER GUIDE

## Sunday

Join us in praying that God will use this year's SSMO giving to do great things for his glory throughout our state. Pray that churches throughout Nevada will gain an increased burden to engage their communities for Christ and will seek opportunities to make Christ known by serving their local communities in tangible ways.

## Monday

Join us in praying for schools across the state of Nevada. Pray that our churches will recognize ways they can serve local schools with gentleness and love. Pray that churches can connect with staff and families at the schools and that Christ can be shared through these relationships.

## Tuesday

Join us in praying that as our churches engage their communities for Christ, that this becomes formative for the individuals from those churches and that they would seek opportunities to engage others in local communities for Christ on a personal level.

## Wednesday

Join us in praying for specific community outreach events taking place across Nevada this year. Pray that our churches will bless their communities through these events, but that the proper connections will be made leading to conversations around the gospel of Christ.

## Thursday

Join us in praying for first responders throughout the state of Nevada. Pray that our churches will seek out ways to support their local departments as they serve real needs in our cities. Pray that the love of Christ may be demonstrated and shared through these relationships.

## Friday

Join us in praying for God to change Nevada churches and communities as we intentionally share the gospel both in word and deed. Pray that the efforts of churches throughout the state will lead to conversations about the gospel and that people will come to faith in Christ through these efforts.

## Saturday

Join us in praying for God to send church planters and planting teams to Nevada. Pray that God will use this year's SSMO giving as a resource for church planters as well as existing churches seeking to build connections and serve the needs in their particular communities.
